

# Mini Practice

Ask, test, improve — one small change at a time.

Name: \_\_\_\_\_

Date: \_\_\_\_\_

## Mini Challenge: Change a Simple App with AI

Choose one small change. Ask AI for help, test the result, and improve your request.

Suggested time: 15–20 minutes

1

### Choose One Change

What do you want to change first?

App title

Color

Icon

Mission text

---

---

---

2

### Write My First Prompt

Tell AI what to change and how you want it to look or work.

---

---

---

---

3

### Save and Test

Open the app and check the result.

☐ Text changed   ☐ Color changed   ☐ Icon changed   ☐ Other: \_\_\_\_\_

Did it work?   ☐ Yes   ☐ Not yet

4

### Improve My Request

If the result is not right, add clearer details. Do not add a new task yet.

---

5

## Reflect

What did AI help you do?

---

---

---

What should you explain better next time?

---

---

---

## Practice Complete!

You made a choice, explained it, tested it, and improved it. That is how we build with AI.
